

Out Go the Lights

Aerosmith

Some girls awfully risky
And some girls kicking the stall
Give it up women and whiskey
Yeah you aint got nothing at all But a sign on the wall that hung on the tack
Said liquor in the front and poker in the back
I got no more lonely nights
Ya-ya baby till out goes the lights If you wanna take a lookie cookie
tonight might be your lucky nighty night night
How they go dj-booty
Youre a yaya baby tonight
Way to go thought you knew me
Yeah but youre not getting it right But its cool
Too cool for cat
A little bit of this and a little bit of that
Had a red hot maybe on a cold summer night
Ya-ya baby till out goes the lights If you wanna taste the cookie lookie
tonight might be your lucky Roses are red, my lips on you
But you couldnt tell by the things that we do
The things that we see are so out of sight
Well have to see when we turn out the light Living in the land of love
Living in the land of love
Living in the land of love
Living in the land of love
Living in the land of love Living on coochie and romance
Waiting on cupid to call
Some people say thats livin
Yeah but that aint livin at all
And its cool, thats how I roll
You get a little lovin if you got a lot of soul And its for sure, when loves just right
Ya-ya baby when out goes the lights If you want a little nookie cookie
tonight might be your lucky Roses are red, my lips on you
But you couldnt tell by the things that we do
The things that we see are so out of sight
Well have to see when we turn out the light
Ooh-aa-oo yeah yeah
