Hopeless

The Wrens

Oh no, not this time too
I'm the only one you got to use
And if I tell you all this could be
Nothing more than a way to leave you
Would you want me

And now you're sorry for the things you did to me
I want you to know
I feel I was the one who got used and use to
Just about anything you would tell me
But those days are more than over now
Hopeless

That this will turn out better
This isn't want I wanted
I should have listened to them
Go thank yourself for nothing
Its really all you're good for
Every year you wasted
And every half ass offer
