Like Fire

Shaun Jacobs

LIKE A FIRE BURNING â€“ SHAUN JACOBS

Something's gotta give something's trying to hold me down

I donâ€™t wanna live the kind just holding out

What is it about trying to break free what is it I heard calling out to me.

what is in the yearning

You know itâ€™s like a fire burning
Oh itâ€™s like a fire burning

Heat me to the bone
Heat me till its home

Never leave me

Youâ€™re not to leave me alone

Oh, talk, I am listening
Close call, so close to stumbling

What is in a bird trying to break free what is it I heard calling out to me

What is in a bird that leads it, home

You know itâ€™s like a fire burning
Oh itâ€™s like a fire burning

Heat me to the bone
Heat me till its home

Never leave me

Youâ€™d never leave me alone

Fire I find is looking at the sun waiting till the walls come down
Walls come down.

Fire burning

Oh itâ€™s like a fire burning

Heat me to the bone
Heat me till its home

You know it's like a fire burning
Oh itâ€™s like a fire burning

Heat me to the bone
Heat me till its home

Never leave me
