

She Makes the Rain

Dangfly!

No One could see her as she moved through the night
Always the bridesmaid, never the bride
She makes the thunder and the rain
She makes the rain
All that she wanted, a friendly call
The pain she defeated, could beat us all
She makes the thunder and the rain
She makes the rain
The oceans have settled, the tide has rolled out
The darkness she brought us, it's not what she's about
She makes the thunder and the rain
She makes the rain
She makes the rain.
