

Get In Line (Aberdeen, Scotland 5-2-04)

Barenaked Ladies

Everywhere I go someone's trying to be my girlfriend's best friend
I'm tryin' to pretend I'm relaxed but I'm playin' castanettes with my knees
I try to be cool and give her space but a guy's always there ready to jump right up and take my place
Everyone in this room seems to want to make a big fool outta meEverybody open your mouth
Everybody just say ah (ah ah ah ah)
Everything will be alright if you play alongEverywhere I go there's someone in a trench coat staring at me
And when I'm not at home I'm sure someone's rummaging through my trash
What ever could they want from me?
Is it just a part of a giant government conspiracy?
I gotta go see my doctor about this itchy pentagram shaped rashEverybody open your mouth
Everybody just say ah (ah ah ah ah)
Everything'll be alright, this won't hurt at all (turn it up)
Everybody get in line
Everybody turn and cough (ah ah)
Everything'll be alright if you just lay offDictate a memo to myself
Tryin' to finally find the only one in complete health
Consult contemporaries if there are some to see
There really isn't anyone who's in my laneEvery night at a lane, someone thinks they've got a find beyond me
I try to take three deep breaths as I walk up to my minivan
Everyone says I'm lookin' great but it's hard to stand up let alone to try to concentrate
I wish that everyone that I knew hadn't sold out to the manEverybody open your mouth
Everybody just say ah (ah ah ah ah)
Everything'll be alright, this won't hurt at all
Everybody get in line
Everybody turn and cough
Everything'll be alright if you just lay
Everything'll be alright if you just lay
Everything'll be alright if you just lay off
