

Northern Line

Old 97's

I'm dreaming on a night train
It's only been a light rain, and a darkened sky and a starry night
I'm humming on a cold train
I'm singing about the wreck of the Old 97[CHORUS:]
And I'm walking through this city
I'll tell my story to the rain
And I won't come back no matter what you say I'm feeling no pain
I don't care if I ever see your face again
I'm riding on a Northern Line
I got my money - but I got a lot of time to spend[CHORUS:]
And I'm walking through this city
I'll tell my secret to the sky
And I won't come back no matter what you say
