Lights Are out (Instrumental)

Approaching Nirvana

I'm standing still.
I'm all alone.
Nowhere to go.All this change that's made it clear to me.
I have nothing here left to live for me.
So I will find a place
That pain won't find me.Lights are out, eclipsing of the sun.
Lights are out, the feeling lingers on.
Lights are out, I'm left here all alone.
The night will find a way.You are the new day.Oh, I don't belong to anything,
To anyone, not anymore.
I draw the line.
You once were here, but now is not that time.There's still a piece of you.
It lingers on.
Oh, I'm alone.
It's never been like this.All this change that's made it clear to me.
I have nothing here left to live for me.
So I will find a place
That pain won't find me.Lights are out, eclipsing of the sun.
Lights are out, the feeling lingers on.
Lights are out, I'm left here all alone.
The night will find a way.You are the new day.Lights are out, eclipsing of the sun.
Lights are out, the feeling lingers on.
Lights are out, I'm left here all alone.
The night will find a way.You are the new day.
You are the new day.
You are the new day.
You are the new day.You are the new day.
