

Let Me Be

Flap Jack

Aye! Yea

Tryna find myself

In the middle of this open field is like,
Tryna find somebody who doesn't want to be seen

Hey! Hey! Yea!

Tryna live my live a way, you wouldn't want me to is like,
Tryna be king in a lab, A keys of survive

Let me be I'll be happy yea
Let me be me yea I'll be happy,
Let me be I'll be happy yea,
Let me be me yea I'll be happy,

Tryna find myself

In the middle of this open field is like
Tryna find somebody who doesn't want to be seen

Hey! Hey! Yea!

Tryna live my live a way, you wouldn't want me to is like
Tryna be king in a lab, A keys of survive

Let me be I'll be happy yea
Let me be me yea I'll be happy,
Let me be I'll be happy yea,
Let me be me yea I'll be happy.
