

# Because of Love

Janet Jackson

Because of love  
Because of loveBecause of love  
I know you better  
Because of love  
We are together  
Because of love  
You have my heart  
Because of love  
We'll never partWhen I first met you I knew that  
My life would never be the same  
And I knew that you felt it to  
Never feel alone againBoy, 'cause you're love makes me feel so secure  
You got me singin'Because of love  
I know you better  
Because of love  
We are together  
Because of love  
You have my heart  
Because of love  
We'll never partBecause of love  
I know you better  
Because of love  
We are together  
Because of love  
You have my heart  
Because of love  
We'll never partI don't care what people say  
You're the one that brings me so much joy  
When I look, your smilin' eyes  
My heart wants to dance, boyThere's only you on my mind  
And I never want to leave your side  
It feels right so let's stay together  
Never feel alone againBoy, 'cause you're love makes me feel so secure  
You got me singin'Because of love  
I know you better  
Because of love  
We are together  
Because of love  
You have my heart

Because of love  
We'll never part  
It's cause of love  
We've shared great memories  
The way you make me feel  
It's cause of love  
I feel so high  
I don't need nobody else  
Because of love  
Because of love  
Because of  
Because of love  
I know you better  
Because of love  
Because of love  
I know you better  
Because of love  
Because of love  
We are together  
Because of love  
You have my heart  
Because of love  
We'll never part  
Because of love  
I know you better  
Because of love  
We are together  
Because of love  
You have my heart  
Because of love  
We'll never part  
Because of love  
Because of love  
Because of love  
Because of love  
Because of love  
Because of love  
Because of love
