Trina

(Hey yeah)

Ladies

(Yeah?)

Have you eva had a thang for somebody

And it was just so deep And you wanted to tell him so bad

(Yeah, yeah, yeah)

But you just couldn't find the words?

Listen I gotta thang for you baby you know

Don't wanna take it slow, I wanna get to know ya

Don't wanna play no games, listen to what I'm sayin'

I gotta thang for you, for you I gotta thang for you baby you know

Don't wanna take it slow, I wanna get to know ya

Don't wanna play no games, listen to what I'm sayin'

I gotta thang for you, baby you know I gotta thang for you and it hurts me

'Cause I'm holdin' back I'm so thirsty

When I open wide, you betta work inside

But promise that you won't hurt me With here we go, here we go again

'Cause I ain't got time for lies

This time ain't lookin' for a friend I need a man that's gon' wine & dine me

Every time you look you find me

Bellhoppin', he buyin' me

And plus he all mine see He Brad Pitt, I'm Jolie

When we together we always sing

K-I-S-S-I-N-G

I gotta thang for you, so how you feel 'bout me? I gotta thang for you baby you know

Don't wanna take it slow, I wanna get to know ya

Don't wanna play no games, listen to what I'm sayin'

I gotta thang for you, for you I gotta thang for you baby you know

Don't wanna take it slow, I wanna get to know ya

Don't wanna play no games, listen to what I'm sayin'

I gotta thang for you, baby you know Damn you got me wide open

And I know you sayin' that I'm jokin'

'Cause tha boys in tha past, they just couldn't last

But for some reason I think u been chosen Heaven sent, don't wanna walk away

Just hold me tightly up in you arms

And tell me everyday That you ain't neva gon' leave me heartbroke

Promise to give a good long stroke

Boy this for real and this ain't no joke

Thought I was dreamin' but I know I'm woke What you done did that got me so gone?

Feels so right that this can't be wrong
Hangin' up and right back callin' yo phone
Cause I go crazy when I hear ya voice tone, ahAnd you know I can't wait to see your face again, again boy
And you know I'm hopin' we can work this thing outEvery time that I'm alone I'm thinkin' 'bout us
And where we could be that's how I know
I gotta a thang for you babyI gotta thang for you baby you know
Don't wanna take it slow, I wanna get to know ya
Don't wanna play no games, listen to what I'm sayin'
I gotta thang for you, for youI gotta thang for you baby you know
Don't wanna take it slow, I wanna get to know ya
Don't wanna play no games, listen to what I'm sayin'
I gotta thang for you, baby you knowThe way you love me, the way you love me
The way you touch me, the way you touch me
The way you love me, the way you love me
The way you touch me, the way you touch me
