Trina

(Hey yeah)
Ladies
(Yeah?)

Have you eva had a thang for somebody
And it was just so deepAnd you wanted to tell him so bad
(Yeah, yeah, yeah)

But you just couldn't find the words?

ListenI gotta thang for you baby you know

Don't wanna take it slow, I wanna get to know ya

Don't wanna play no games, listen to what I'm sayin'

I gotta thang for you, for youI gotta thang for you baby you know

Don't wanna take it slow, I wanna get to know ya

Don't wanna play no games, listen to what I'm sayin'

I gotta thang for you, baby you knowI gotta thang for you and it hurts me

'Cause I'm holdin' back I'm so thirsty

When I open wide, you betta work inside

But promise that you won't hurt meWith here we go, here we go again

'Cause I ain't got time for lies

This time ain't lookin' for a friendI need a man that's gon' wine & dine me

Every time you look you find me

Bellhoppin', he buyin' me

And plus he all mine seeHe Brad Pitt, I'm Jolie

When we together we always sing

K-I-S-S-I-N-G

I gotta thang for you, so how you feel 'bout me?I gotta thang for you baby you know

Don't wanna take it slow, I wanna get to know ya

Don't wanna play no games, listen to what I'm sayin'

I gotta thang for you, for youI gotta thang for you baby you know

Don't wanna take it slow, I wanna get to know ya

Don't wanna play no games, listen to what I'm sayin'

I gotta thang for you, baby you knowDamn you got me wide open

And I know you sayin' that I'm jokin'

'Cause tha boys in tha past, they just couldn't last

But for some reason I think u been chosenHeaven sent, don't wanna walk away

Just hold me tightly up in you arms

And tell me everydayThat you ain't neva gon' leave me heartbroke

Promise to give a good long stroke

Boy this for real and this ain't no joke

Thought I was dreamin' but I know I'm wokeWhat you done did that got me so gone?

Feels so right that this can't be wrong Hangin' up and right back callin' yo phone

Cause I go crazy when I hear ya voice tone, ahAnd you know I can't wait to see your face again, again boy And you know I'm hopin' we can work this thing outEvery time that I'm alone I'm thinkin' 'bout us

And where we could be that's how I know

I gotta a thang for you babyI gotta thang for you baby you know

Don't wanna take it slow, I wanna get to know ya

Don't wanna play no games, listen to what I'm sayin'

I gotta thang for you, for youI gotta thang for you baby you know

Don't wanna take it slow, I wanna get to know ya

Don't wanna play no games, listen to what I'm sayin'

I gotta thang for you, baby you knowThe way you love me, the way you love me

The way you touch me, the way you touch me

The way you love me, the way you love me

The way you touch me, the way you touch me
