Play Me a Hurtin' Tune

Perry Como

Play me a hurtin' tune
I wanna an old time hurtin' tune
Make me sigh, make me cry
Make me wanna lay down and dieOh, play me a hurtin' tune
A tear your heart out hurtin' tune
Of a true sweetheart who
Lost her lover and feels so blueI love those, how could you be so cruel
Treat me like a fool songs
I love those, now that I know we're through
What am I gonna do, songsPlease, play me a hurtin' tune
I wanna an old time hurtin' tune
Make me sad and I'll be glad
'Cause I feel so good when I feel so badWe love to feel so sad we love to feel so bad
Go on and beat me, mistreat me, go ahead an' cheat me
I like it, I like it, we like itAh, make me sigh
(Make me cry)
Make me wanna lay down and dieA tear your heart out hurtin' tune
Of a true sweetheart who
Lost her lover and feels so blueI love those
(How could you be so cruel
Treat me like a fool songs)
I love those
(Now that I know we're through
What am I gonna do songs)Please, play me a hurtin' tune
I wanna an old time hurtin' tune
Make me sad and I'll be glad
'Cause I feel so good when I feel so badOh, look it girls, he's playin' our song
Play us a hurtin' tune
We wanna an old time hurtin' tune
Make us sad, we'll be glad
'Cause we feel so good when we feel so sad
