

# Strange Kind Of Woman

## Deep Purple

There once was a woman  
A strange kind of woman  
The kind that gets written down in history  
Her name was Nancy  
Her face was nothing fancy  
She left a trail of happiness and misery  
I loved her  
Everybody loved her  
She loved everyone and gave them good return  
I tried to take her  
I even tried to break her  
She said, "I ain't for takin' won't you ever learn"  
I want you, I need you, I got to be near you  
I spent my money as I took my turn  
I want you, I need you, I got to be near you  
Ooh, I got a strange kind of woman  
She looked like a raver  
But I could never please her  
On Wednesday mornings boy, you can't go far  
I couldn't get her  
But things got better, she said  
"Saturday nights from now on baby, you're my star"  
I want you, I need you, I got to be near you  
I spent my money as I took my turn  
I want you, I need you, I got to be near you  
Ooh, I got a strange kind of woman  
She's my soul, I love you  
I want you, I need you, I got to be near you  
I spent my money as I took my turn  
I want you, I need you, I got to be near you  
Ooh, I got a strange kind of woman  
She finally said she loved me  
I wed her in a hurry  
No more callers and I glowed with pride  
I'm dreaming  
I feel like screaming  
I won my woman just before she died  
I want you, I need you, I got to be near you  
I spent my money as I took my turn

I want you, I need you, I got to be near you  
Ooh, I got a strange kind of woman  
Who do you think you are?  
Superstar  
Who do you think you are?  
Superstar  
Superstar  
Who do we think we are?  
Oh my soul, I love you baby
