

# Never Again

## Wu-tang Clan

[Foreign Content] Feel this  
To all those races, colors and creeds, every man bleeds  
For the countless victims and all their families  
Of the murdered, tortured and slaved  
Raped, robbed and persecuted  
Never again  
To the men, women and children  
Who died and struggled to live  
Never to be forgotten  
[Foreign Content] Yo my own blood dragged through the mud  
Perished in my heart still cherished and loved  
Stripped of our pride, everything we lived for  
Families cried  
There's no where to run to, no where to hide  
Tossed to the side, access denied  
6 million died for what?  
Yo a man shot dead in his back  
Helpless women and children on the constant attack  
For no reason till the next season  
And we still bleeding, yo it's freezing  
And men burn in hell, some for squeezing  
No hope for a remedy, nothing to believe  
Moving targets who walk with the star in their sleeve  
Forever marked wit' a number, tattooed to your body  
Late night, eyes closed, clutched to my shotty  
Having visions, flashes of death camps and prisons  
No provisions deceived by the devils decisions  
Forced into a slave  
Death before dishonor for those men who were brave  
Shot and sent to their grave  
Can't awaken, it's too late  
Everything is been taken  
I'm shaken, family, history, the making  
Never again shall we march like sheep to the slaughter  
Never again shall we sit and take orders  
Stripped of our culture, robbed of our name  
(Never again)  
Raped of our freedom and thrown into the flames  
(Never again)

Forced from our families, taken from our homes  
Moved from our God then burned of our bones  
Never again, never again  
Shall we march like sheep to the slaughter  
(Never again)  
Leave our sons and daughters  
Stripped of our culture, robbed of our name  
(Never again)  
Raped of our freedom and thrown into the flames  
(Never again)  
Forced from our families, taken from our homes  
  
Moved from our God and everything we own  
(Never again)  
Some fled through the rumors of wars  
But most left were dead, few escaped to the shores  
With just one loaf of bread, banished, hold in for questioning  
And vanished never to be seen again  
I can't express the pain that was felt on the train  
To Auschwitz, tears poured down like rain  
Naked face to face with the master race  
Hatred blood of David  
My heart belongs to God and stay sacred  
Rabbi's and priests, disabled individuals  
The poor, the scholars all labeled common criminals  
Mass extermination total annihilation  
Shipped into the ghetto and prepared for liquidation  
Tortured and starved, innocent experiments  
Stripped down and carved up or gassed to death  
The last hour, I smelled the flowers  
Flashbacks of family then sent to the showers  
Powerless undressed  
Women with babies clumped tight to their chest  
Crying, who would've guessed dying  
Another life lost count the cost  
Another body gas burned and tossed in the holocaust  
(Never again)  
Never again shall we march like sheep to the slaughter  
Never again leave our sons and daughter  
Stripped of our culture, robbed of our name  
(Never again)  
Raped of our freedom and thrown into the flames  
(Never again)  
Forced from our families, taken from our homes  
(Never again)

Moved from own God and everything we owned

Never again, never again

Shall we march like sheep to the slaughter

(Never again)

Shall we sit and take orders

Stripped of our culture, robbed of our name

(Never again)

Raped of our freedom and thrown into the flames

(Never again)

Forced from our families, taken from our homes

(Never again)

Moved from our God and burned of our bones

(Never again, never again)

Never again

Never again

The final solution

Is now retribution
