

Back to Before

Jerry Fish & the Mudbug Club

I now know what it's like
To have lost everything to the world
This world is both cruel and unkind
and it's nothing more than we deserve
If I asked you could you change your mind?

Take me back
Back to your heart
Back to your door
Back to Before

This town and all it's clowns
Passed us by
Passed us by never to return
This town and all it's clowns
are no friends of mine

And nothing we can do will turn back time
If I asked you could you change your mind?

Take me back
Back to your heart
Back to your door
Back to Before
