Am I a Fool

Tower Of Power

am i a fool
to still love you girl
after all the needless changes
we been through
though I'm trying to do my best
still you put me to the test
and it makes me
kinda wonder
am i foolam i a fool sugar
to still love you now
thats the question
I keep asking
myself
but when you're close to me
it feels so heavenly
that I tell myself
I can't let you go no no no noam i fool sugar
to still love you you top you
oh noam i a fool
I'm crazy about your love but should I still love you now
hey no baby
sugar yeah yeah
sugar yeah yeah oh no
just so Ill know
that the feelings still shows
Im caught out
in a web of unknown
