

Boredom Addict

Direct Hit!

Well we've been sitting all around here for a couple of days

And we've been staring at the sun because we like it

And we've been wandering all around

Just wanderin' 'round, getting blazed

Because the boredom's just so bad that we can't fight it
We've been wondering when the highlights and
cartoons'll come on

Yeah we've been wondering just when they will come on

Wondering how we're gonna turn all of this into a song
