

Hallucinating (Mariachi Version)

Elohim

[Verse 1]

Am I dreaming

Walking in my sleep

I just can't drop this feeling underneath my feet

These London streets are moving

Rising up and meeting me

You know I see our faces eyes[Chorus]

I'm hallucinating, I'm hallucinating

I'm hallucinating, I'm hallucinating

[Verse 2]

Daily life feels like a constant dream

I keep on tripping out

Aye, why am I such a freak?

I don't know why that painting's staring back at me

I swear, I think its eyes just moved[Chorus]

I'm hallucinating, I'm hallucinating

I'm hallucinating, I'm hallucinating[Bridge]

Baby, I'm scared to drink the water

Baby, I think you drank the water[Bridge: Spoken Word]

A hallucination is a perception

In the absence of external stimulus

That has qualities of real perception

Hallucinations are vivid, substantial

And are perceived to be located in external objective space[Chorus]

I'm hallucinating, I'm hallucinating

I'm hallucinating, I'm hallucinating[Chorus]

I'm hallucinating, I'm hallucinating

I'm hallucinating, I'm hallucinating
