

Come Back Jesus

Alpha Blondy

Why they're fighting war
And I wonder why they're fighting war
Said, I wonder why now
Why they're fighting war Oh, come back Jesus
Come back light
Come back Jesus, my Lord
Come back love Oh, come back Jesus
Come back light
Come back Jesus, Jesus, my Lord
Come back love Bring peace and love
Peace and love
Jesus, Jesus
Bring peace and love Oh my Jesus
My sweet Je [unverified]
My heart Jesus
My soul aches for you
Teardrops coming through Why they're fighting war
And I wonder why they're fighting war
Said I wonder why now
Why they're fighting war Oh, come back Jesus
Come back light
Come back Jesus, my Lord
Come back love Then come back Jesus
Come back light
Come back Jesus, Jesus, my Lord
Come back love Peace and love
Peace and love now
Jesus, Jesus
Bring peace and love Oh, my Je [unverified]
My sweet Jesus
My heart Jesus
My soul aches for you
Teardrops coming through Love, love, love, love
We need love
Sweet Lord, now
We need you Unity, that's what the wise man say
Unity, that's what the other man say
And unity, that's what Jah say So I wonder why
I wonder why they're fighting war

So tell me why
Why they're fighting warCan someone tell me, why now
Why they're fighting warOh, come back Jesus
Come back love

You've got to be the mighty one
