Just One Yesterday

Fall Out Boy

I thought of angels choking on their halos,
Get them drunk on rose water.
See how dirty I can get them,
Pulling out their fragile teeth and clip their tiny wings.
Anything you say can and will be held against you,
So only say my name, it will be held against you.
Anything you say can and will be held against you,
So only say my name.
If heaven?s grief brings hell?s reign,
Then I?d trade all my tomorrows for just one yesterday.
(I know I?m bad news)
For just one yesterday
(I saved it all for you)
I want to teach you a lesson, in the worst kind of way.
Still, I?d trade all my tomorrows for just one yesterday.
(I know I?m bad news)
For just one yesterday.
(I saved it all for you)
For just one yesterday.
Letting people down is my thing, baby.
Find yourself a new king.
This town ain?t big enough for two of us.
I don?t have the right name, or the right looks,
But I have twice the heart.
Anything you say can and will be held against you,
So only say my name, it will be held against you.
Anything you say can and will be held against you,

So only say my name (name)
If heaven?s grief brings hell?s reign,
Then I?d trade all my tomorrows for just one yesterday.
(I know I?m bad news)
For just one yesterday
(I saved it all for you)
I want to teach you a lesson, in the worst kind of way.
Still, I?d trade all my tomorrows for just one yesterday.
(I know I?m bad news)
For just one yesterday.
(I saved it all for you)

For just one yesterday.
If I spill my guts,
The world would never look at you the same way.
And now I?m here to give you all my love,
So I can watch your face as I take it all away, away, away yeah.
If heaven?s grief brings hell?s reign,
Then I?d trade all my tomorrows for just one yesterday.
(I know I?m bad news)
For just one yesterday
(I saved it all for you)
I want to teach you a lesson, in the worst kind of way.
Still, I?d trade all my tomorrows for just one yesterday.
(I know I?m bad news)
For just one yesterday.
(I saved it all for you)
For just one yesterday.
Oh
