

# Two Divided By Love (Re-Recorded Version)

## The Grass Roots

Two divided by love  
Can only be one  
And one is a lonely number  
Two divided by love  
Can only be sad  
Can only hurt one another Every night your tears come down  
And I know how youre feelin inside  
Loneliness is no ones friend  
Ive been takin the same kind of ride  
And that just shouldnt be  
If youre still lovin me  
Come on baby Two divided by love  
Can only be one  
And one is a lonely number  
Two divided by love  
Can only be sad  
Can only hurt one another Id be lyin to myself  
If I said I was gettin along  
All I do is think of you and I know  
That its here you belong  
Come on girl make your way  
We can start from today  
Puttin it back together cause Two divided by love  
Can only be one  
And one is a lonely number  
Two divided by love  
Can only be sad  
Can only hurt one another Take away the rain from a flower  
And the flower just cant grow  
Take away you from me girl  
Out of my mind  
Out of my mind  
Out of my mind  
Out of my mind Two divided by love  
Can only be sad  
Can only be broken hearted  
Two divided and blue  
Should take what they had  
And go back to where they started Two divided by love

Can only be one  
And one is a lonely number  
Two divided by love  
Can only be sad  
Can only hurt one another
