

If Looks Could Kill

[Timomatic](#)

The relationship between us
She looking so dangerousShe looks so good like that
And I can't do a thing about itIf looks could kill
I want you to dance with me, dance with me , dance with me girl
If looks could kill
I want you to dance with me, dance with me , dance with me girlBaby, baby come look my way
Baby, baby come look my way
Way, way
If looks could killI don't know what to do about
When she is not aroundShe looks so good like that
And I can't do a thing about itIf looks could kill
I want you to dance with me, dance with me , dance with me girl
If looks could kill
I want you to dance with me, dance with me , dance with me girlBaby, baby come look my way
Baby, baby come look my way
Way, way
If looks could kill
