

# I Can Be Your Friend

## VeggieTales

have you ever seen a boy with funny clothes?  
a girl with braces on her teeth, or freckles on her nose?  
some kids call them odd-balls.  
some kids call them weird, is it my imagination or does aunt ruth have a beard?  
god makes lotsa people in all colors shapes and sizs.  
he loves them very much, but what we need to realize is...  
that calling people names because they're different is wrong,  
instead we need to look on them in love and sing this song

I CAN BE YOUR FRIEND  
I CAN BE YOUR FRIEND  
ANY DAY IN ANY WEATHER WE CAN BE FREINDS AND PLAY TOGETHER

we're all pretty different,  
some are skinny, some are stout.  
but the inside is the part that we're supposed to care about.  
that's where we all have feelings that are very much the same,  
and so instead of weirdo i think friend's a better name!

I CAN BE YOUR FRIEND [LA LA LA]  
I CAN BE YOUR FRIEND [LA LA LA]  
IF YOUR HAIR IS RED OR YELLOW WE CAN HAVE LUNCH, I'LL SHARE MY JELLO

I CAN BE YOUR FRIEND [LA LA LA]  
I CAN BE YOUR FRIEND [LA LA LA]  
IT'S OKAY IFF WE ARE DIFFERENT, WE CAN STILL PLAY 'CUZ I CAN BE YOUR FRIEND
