Weird Honey

Elvis Depressedly

Bring me to my knees
Her purity fucks with me
Weird Honey
Boring ecstasy
Her sacred heart fucks with me
Weird honey
If there's a cool spot in hell
I know you'll get it
If there's a cool spot in hell
I know you'll get itStaying up all night
Talking blasphemous ash
Weird honeyGetting off on death
Crashing heaven's trash
Weird honey
If there's a cool spot in hell
I hope you get it
If there's a cool spot in hell
I know you'll get it
