

Big Time Rush

Big Time Rush

Make it count, play it straight
Don't look back, don't hesitate
When you go big timeWhat you want, what you feel
Never quit, and make it real
When you roll big timeHey, hey, listen to your heart now
Hey, hey, don't you feel the rush?
Hey, hey, better take your shot now
Oh, oh, oh, ohGo on shake it up, what you gotta lose?
Go and make your luck with the life you choose
If you want it all, lay it on the line
It's the only life you got, so you gotta live it big timeStep it up, getting gear
Go for broke, make it clear
Gotta go big timeMake it work, get it right
Change the world over night
Gotta dream big timeHey, hey, give it all you got now
Hey, hey, isn't it a rush?
Hey, hey, finish what you start now
Oh, oh, oh, ohGo on shake it up, what you gotta lose?
Go and make your luck with the life you choose
If you want it all, lay it on the line
It's the only life you got, so you gotta live it big timeLook around
Everyone is shining now, it's brighter somehow
Look around
Nothing's really as it seems, nothing but dreamsYou and I
Gonna make a brand new sound, like we own this town
We can fly
Now our feet are off the ground and never look downWelcome to the big time
All the pretty people seen walkin' in the sunshine
Welcome to the good times
Life will never be the sameGo on shake it up, what you gotta lose?
Go and make your luck with the life you choose
If you want it all, lay it on the line
It's the only life you got, so you gotta live it big timeIf you want it all, lay it on the line
It's the only life you got, so you gotta live it big time
