

# Pavement Saw

## Big Black

She went through me like a pavement saw  
And I feel stupid 'cause I was so stupid about it  
She went through me like a pavement saw  
And I feel stupid 'cause I was so stupid about it  
She smokes so self-contently  
Makes me sick  
But she's so pretty that I can't resist  
She likes to suffer, she's has nothing to do  
Can't hate the chick 'cause she's got no sense  
She went through me like a pavement saw  
And I feel stupid 'cause I was so stupid about it  
She went through me like a pavement saw  
And I feel stupid 'cause I was so stupid about it
