

Time's Up

Living Colour

Time's up, the rivers have no life
Time's up, the world is full of strife
Time's up, the sky is falling
Time's up, the Lord is calling
How you gonna stop the clock now
When the well runs dry?
All the rivers have died
Moment by moment
Day by day
The world just slipping away
Your future won't save your past
The time is now, it won't last
Then time is nigh
Time to do or die
Time waits for no one
If you want to go on
Give me somethin' to grow on
The forest, the trees
The rivers, the seas
All die of this disease
Time ain't on your side
Don't sit idly by
You've got to just try
[Inaudible]
