Burial

No
I fell in love with you
I fell in love with youI fell in love with you
I fell in love with you
Cause you are the one
NoDoesn't really mean I want you
It seems to go on
Doesn't really mean I want you
It seems to go on
I like the way you smile
Eyes out
I like the way you smilePassion
It started there
Doesn't really mean I want you
It seems to
It seems to go on
I like the way you smile
You can tweet me
You can tweet me
You can tweet me
You can
I like the way you smileTo make sure
