

# I Could Use a Friend

Ulf Nilsson

Is it ever gonna stop?  
Is it ever gonna end?  
Will I ever belong?  
Will I ever find a friend?  
Mmm-mmmm-mmm-mmmm...  
Will I ever be loved?  
Will I ever find a girl?  
Am I alone  
in this goddamn world?  
Oh will the rain rain never stop falling?  
Will the pain stop calling on me?  
Will the rain rain never stop falling?  
Will the pain pain never stop calling on me?  
Will the rain never stop falling on me?  
I could use a friend now.  
Will the pain never stop calling on me?  
I could use a friend now, use a friend now.  
Mmm-mmmm...  
If i could turn back time  
Oh I'd tell that little kid  
It ain't nothing he said and it ain't nothing he did.  
Got nothing to do with who you are,  
Nothing to do with who you are  
Oh will the rain rain ever stop falling?  
Will the pain stop calling on me?  
Will the rain rain never stop falling?  
Will the pain pain never stop calling on me?  
Will the rain never stop falling on me?  
I could use a friend now.  
Will the pain never stop calling on me?  
I could use a friend now  
Is it ever gonna stop?  
Is ever gonna end?  
Will I ever belong?  
Will i ever gonna find a friend?  
Will I ever be loved?  
Will I ever find a girl?  
Am I alone in this goddamn world?  
If I could turn back time

I'd tell that little kid  
It ain't nothing you said  
It ain't nothing you did  
It's got nothing to do with who you are,  
It's got nothing to do with who you are!  
Will the rain never stop falling on me?  
I could use a friend now.  
Will the pain never stop falling on me?  
I could use a friend now.  
Will the rain never stop falling on me?  
I could use a friend now.  
Will the pain never stop calling on me?  
I could use a friend now,  
use a friend now.
