Live My Life

Smiling Horse

live my life.

I have to live my life forever
I have to live my life without you

I have to live my life forever
I have to live my life.

Living in the daytime
Living in the night time

Living in the daytime
Living in the night time

Living in the daytime
Living in the night time

I have to live my life.

Living without you

I have to live my life for ever
I have to live my life without you

I have to live my life forever
I have to live my life.

Living in the daytime
Living in the night time

Living in the daytime
Living in the night time

Living in the daytime
Living in the night time

I have to live my life.

Living without you

I have to live my life forever
I have to live my life without you

I have to live my life forever
I have to live my life.

Solo

Living in the daytime
Living in the night time

Living in the daytime
Living in the night time

Living in the daytime
Living in the night time

I have to live my life.

Living without you

Solo

I have to live my life.
