

I Can't Stop Loving You

Van Morrison & The Chieftains

I can't stop loving you
Since I made up my mind
To live in memories
Of a lonesome time I can't stop wanting you
It's useless to say
So I just live my life
In dreams of yesterday Those happy hours
Oh, those happy hours
That we once knew
Oh, that we once knew So long ago
So long ago, baby
Still make me blue
Yeah, still make me blue
They say the time
They say that time
Heals a broken heart
Heal a broken heart But time has stood still
But time has stood still
Since we've been apart
Oh, since we've been apart I can't stop loving
Since I made up my mind
Living in, live, live, live
Live, live, live in memories
Of a lone, lonesome time I can't stop wanting you
It's useless to say
So I just live my life
In dreams of yesterday
I can't stop loving you
Since I made up my mind
Oh, to live in memory, baby
Of a lonesome time I can't stop wanting you
It's useless to say
So I just live my life
In dreams of yesterday
Of yesterday
