

# You Got Me

## B5

[Dustin]It`s the way that you touch me(touch me)  
You let me know that you love me(o yea)  
it`s the way that you kiss me  
You let me know that you missin' me  
And nobody`s gonna take me from  
[Hook]You got,you got,you got me  
Going crazy I`m caught up  
I don`t know what to do  
You got,you got, you got me  
(And all you gotta do is) call me  
I`ll be there in a hurry baby  
[Patrick]You make me feel special  
I`m on top of the world when I`m next to you (you)  
I just wanna caress you  
I love all the things that you do  
I`m right here I ain`t going no where cause  
[Hook][Bridge]I know it`s hard for you to see(for you to see,for you to see)

That gurl your the only one for me(for me) (Yeah,Yeah,Yeah)U got me.

[Kelly's Rap]I`m clean from feet up  
Check my jeans and my sneakers  
Flea from the scene like cheetah  
Then I come right back with love  
Matter fact I`ll back you up  
That`s how to act right  
So don`t try to act like  
You wanna act right  
Looking for me in the day time with a flashlight  
I`m not a half pint  
More like a liter  
I`ll leave you my phone number and I`ll see ya when I see ya  
More charming than Mike Sevlr  
I eiter that hottest dude spittin`  
Or yall dudes is trippin`  
And alot ducks chase the bus  
But I ain`t press on a bird  
Can`t nobody break us up  
Cause now you got me  
You can spend 100,000 with papi

On automobiles or that Kawasaki sent  
We a team till the death  
And i wanna be your homeboy, your boyfriend, your boo, and your best friend  
You got me  
[Hook x2]
