

Maybe I'm a Fool

[Aretha Franklin](#)

 Hmm, maybe I'm a fool for loving you so
And maybe, maybe I'm a fool, I don't, I don't really know
 Hmm, but I can't, I can't stop loving you darling, oh yes
Though I tried, oh yes And maybe, maybe your goodbye was so mean, so mean and unfair
 Though you made me cry, my love's still there
 Hmm, and I know, I know that I'll long for your kisses, oh, till I die
 Oh yes until I die Well, I said all of my friends
 All of my friends have told me
 They said, "Aretha, why don't you find
You really need to find somebody new", yeah, oh, oh, yeah
 But what they don't know
 What they just don't know is in my heart
I'd be wishing, oh, that that someone was you So, oh, it's all for you to decide
 If you should decide to trap me once more
 All you got to do, all you got to do is knock on my door
 And I said, I said, I'm taking you back
