

Way Back In the Day

Steve Martin & Edie Brickell

Way back in the day,
I would've gone with you.
Way back in the day,
You could not have kept me away. I was the life of the party.
I was happy and care free.
Dancing on the floor with everybody.
He was next to me. Way back in the day,
You never would have had to ask me.
Way back in the day,
I'd have been the first one to say Come on what are you waiting for?
It's all going on outside of your door.
I won't take no for an answer.
You're coming out with me. Come on what are you waiting for?
It's all going on outside of your door.
I won't take no for an answer. Way back in the day,
I would've gone with you.
