

# Bondage

## Buju Banton

Oyyy

I said watch watch watch watch watch what ya doin with my people Tears from my eyes could not hold anymore

Cry like a child who has lost his way home

Longing to go to that place where I'm from

They got I in bondage

(so much bondage woah)(I say)

Tears from my eyes could not hold anymore

Cry like a child who has lost his way home

Longing to go to that place where I'm from

They got I in bondage (bondage, bondage, bondage)

(Woah I'm in bondage, so much bondage, I say)

Never trust your enemy

For like I am roasted so is minds wickedness

They hate I without a cause

Without no reason

They heap up this bitterness

They work I so hard

Continue cleaning that yard

Work I so hard

The slave driver still hold no regard Tears from my eyes could not hold anymore

Cry like a child who has lost his way home

Longing to go to that place where I'm from

They got I in bondage

Who is gonna heal the cry of the needy one

Do u care

Tellin me do u response

Who is gonna hear

When dem children want

Tell me tell me

Tell I tell I tell I tell i

How much people out der got to suffer

Take a look around and you'll see I say

Some can hardly buy

Your bread and butter

Take a look and you will see

Woahhh Tears from my eyes could not hold anymore

Cry like a child who has lost his way home

Longing to go to that place where I'm from

They got I in bondage

(yeah, so much bondage LAAAHHHDDD)Whats it gonna be

Are u gonna set the captives free

And live the world they want to see

Before this issue gets ugly

Down der de ppl need more liberty

Out here we fighting for solidarity

Open your eyes raggaman and see yeah

How deh daughtas are wrapped up and ow ow ow wowTears from my eyes could not hold anymore

Cry like a child who has lost his way home

Longing to go to that place where I'm from

They got I in bondageNever trust your enemy

For like I am roasted so is minds wickedness

They hate I without a cause

Without no reason

They heap up this bitterness

They work I so hard

Continue cleaning that yard

Work I so hard

The slave driver still hold no regardTears from my eyes could not hold anymore

Cry like a child who has lost his way home

Longing to go to that place where I'm from

They got I in bondageTears from my eyes could not hold anymore

Cry like a child who has lost his way home

Longing to go to that place where I'm from

They got I in bondageTears from my eyes could not hold anymore

Cry like a child who has lost his way home

Longing to go to that place where I'm from

They got I in bondage
