

Inner Demons (feat. Julia Brennan)

Yung Q

Julia Brennan Hook:

They say, "Don't let them in
Close your eyes and clear your thoughts again."
But when I'm all alone
They show up on their own
'Cause inner demons fight their battles with fire
Inner demons don't play by the rules
They say, "Just push them down, just fight them harder
Why would give up on it so soon?"

Yung Q Verse:

Yo
looking back at the songs
that I created
damn
I made them shits out of hatred
I use to get so angry
thinking bout my dark past
and wondering why the hell
I grew up so fast
now I'm starting to think
looking down at the sink
crying
what has happen to me
I change in so many ways
but not for the better
jotting all my thoughts down
into a letter
hoping I can reach you
before to late
you got the power within you
to be great
I wish you can see
all the talent
that I see in you
devil fighting in your head
it only weekends you
but your stronger then I ever was
never give up

your sins can always be forgiven
thanks the lord
sit down and pray
and just know no matter
your gonna be ok

Julia Brennan Hook:
They say, "Don't let them in
Close your eyes and clear your thoughts again."
But when I'm all alone
They show up on their own
'Cause inner demons fight their battles with fire
Inner demons don't play by the rules
They say, "Just push them down, just fight them harder
Why would give up on it so soon?"

Yung Q Verse 2:
so many people doubting
but you still fought thru it
giving them hit songs
so they can vibe to it
you got big dreams
always chase and pursue
reaching all your life goals
put your all into it
run away from the problems
and never look back
understand you got a family
you cant hold back
you was Destin to make it
I know you know that
losing to your own demons
you gotta fight back

I'm fighting as hard as I can
understand
I'm only human
just a little man
god made me the way i am
in his own eyes
blessed me with everything
that I have
including fans
streaming my music
and picking my lyrics apart

understanding all my words
they come from the heart
all my life avengers
dammit now where do I start
take this with a grain of salt
I'm falling apart
there's always two sides
to a story
I was wrong and right
at the same time
split personality's
that's my alter ego
he says the things that I'm thinking
and I would never say
its all in my mind
I'm just Tryna say
I'm sorry if I offended you
in any way
maybe my words hurt
and now its coming back
circle of life
I wish somebody told me that
when I was in hit and run
I was legally dead
flying up to the clouds
with a heavenly friend
he told me that
I had more to do
spread my message thru my music
keep doing you
forget the demons of the past
and start a new
never become a follower
let them follow you
take this lyrical talent
that god has giving you
make something of yourself
cause you paid your dues

Julia Brennan Hook:
They say, "Don't let them in
Close your eyes and clear your thoughts again."
But when I'm all alone
They show up on their own
'Cause inner demons fight their battles with fire

Inner demons don't play by the rules
They say, "Just push them down, just fight them harder
Why would give up on it so soon?"
inner demons fight their battles with fire
Inner demons don't play by the rules
They say, "Just push them down, just fight them harder
Why would give up on it so soon?"
