I Ain't Got Nobody

Bessie Smith

There's a saying going 'round and I begin to think it's true
It's awful hard to love someone, when they don't care 'bout you
Once I had a lovin' man, as good as many in this town
But now I'm sad and lonely, for he's gone and turned me down, now
I ain't got nobody and nobody cares for meI got the blues, the weary blues
And I'm sad and lonely, won't somebody come and take a chance with me?I'll sing sweet love songs honey, all the time
If you'll come and be my sweet baby mine
'Cause I ain't got nobody, and nobody cares for meWon't somebody go and find my man and bring him back to me
It's awful hard to be alone and without sympathy
Once I was a loving gal, as good as any in this town
But since my daddy left me, I'm a gal with her heart bowed down
