Battered & Bruised

Phinius Gage

I won't be beaten down by them.
They'll take you all.
But I know my art has struck.
This world of broken dreams will pass under me.
They'll never see victory
You know my heart has got conviction.Battered and Bruised.
The undertow is so strong.
Battered and Bruised.
The undertow is so strong.This dated scene will break all your dreams.
When nothing is quite what it seems.
I'll die before I accept your truths.
I want you all to know that I will fight.
Even if I lack the strength tonight.
My time will come.Battered and Bruised.
The undertow is so strong.
Battered and Bruised.
The undertow is so strong.
