Deeper

Nine Lashes

I've got this feelin' I've been missing something deep in my soul.
I may be breathin' but I'm barely alive.
Lately I'm feelin' so uncomfortable in my comfort zone,
it's like I'm drowning on the surface of life.Too long I've been afraid of the water,
I'm gonna let you take me down,
till I'm not empty inside.Take me deeper,
take me deeper than
I've ever been before.
Take me deeper with you,
cause I wanna be
right where you want me.
Take me deeper,
take me deeper with you.
Deeper
I've had enough of being thirsty, so close to the shore,
when I know you are an ocean of love.
My heart is longing for your presence,
I'm desperate for more.
And I know that you are more than enough.So I'm making my way to the water,
I'm gonna let you take me down,
till I'm not empty inside.Take me deeper,
take me deeper than
I've ever been before.
Take me deeper with you,
cause I wanna be
right where you want me.
Take me deeper,
take me deeper with you.
Deeper
You said to seek and find
and I found love.
Relentless
I found the depths of life
in Jesus Christ.
Is it less?Take me deeper,
take me deeper than
I've ever been before.
Take me deeper with you,
cause I wanna be

right where you want me.
Take me deeper,
take me deeper with you.I wanna go deeper.
