

# Unforgettable (ft. Young Jeezy)

Drake

Let me know, let me know

Ooh, let me know, let me know let me know Uh, yeah this is really one of my dumbest flows ever

I haven't slept in days

And me and my latest girl agreed to go our separate ways

So I'm single thinking about what we had and missing you

But I ain't Santa, I got something for these bad bitches too

I mean paparazzi on me trying not to get caught out

They always seem to catch me with the woman that I brought out

Baby don't hold on too long cause that's how them stories start out

And all the girls that played me eat your motherfucking heart out, its Drizzy

Always gone but never hard to find

And since you can't escape me do I ever cross your mind

Because all this shit is new to me, I'm learning to behave

And still spending every dollar they encourage me to save

But I'm good I know that niggas would kill for this lifestyle

I'm looking forward to the memories of right now

Never forgetting from where I came

And no matter where I'm headed

I promise to stay the same (yeah, look) I'm just riding round the city with my hood on and my windows down

Ask your girl I'm the realest nigga she been around

I pull up in something new and park it by the haters

And when you get to talking 'bout the greatest (I just really hope that) You'll think of me

(I just really hope that) You'll think of me

(I just really hope that) You'll think of me

(I'm doin' my thing) 'Cause I'm tryna be unforgettable This just might be my realest flow ever

When I say fo' life, y'all say fo'ever (fo'ever)

It's hard but it's fair I told that girl life hurts

The closest your gone get to this is a Pac T-shirt

The names young, baby you know I live that thug life

The good die young so I'm gone need a thug wife

Yeah, I'm talking his and her firearms

Know our jewelry probably louder than a car alarm (yeah)

Yeah, I remember I used to have to sneak the car

Now my insides looking like a snickers bar

Yeah, I'm talking caramel leathers

Damn right, so fly I need feathers

Sayin' shit in the streets so whats the dilly

You done everything in the A but fuck Chilli (haha)

So welcome to my life no two days the same

Like for y'all to meet the love of my life, her names the game I'm just riding round the city with my hood on and  
my windows down  
Ask your girl I'm the realest nigga she been around  
I pull up in something new and park it by the haters  
And when you get to talking 'bout the greatest (I just really hope that) You'll think of me  
(I just really hope that) You'll think of me  
(I just really hope that) You'll think of me  
(I'm doin' my thing) 'Cause I'm tryna be unforgettable Got my top dropped on this beautiful night  
This beautiful night to live my beautiful life  
Pain hurts like a cut from a beautiful knife  
Just know she right here on my hip, my beautiful wife Yeah, Drizzy we got 'em lil' bra  
Unforgettable, ya never forget this  
You understand me? Timeless homie, unforgettable (Let me know, let me know)
