# The Olde HeadBoard

## Rasputina

What becomes a legend most?
I'll let you think about it,
Space ghost coast-to-coast.
While I give thanks today
For all the things I stole
And all the things I gave away
You make experiment, you try to
Teach a lesson and then take a stand
A fake handshake don't make no manI don't know, about a year ago or so
I must have made you up in my head
What did I base you on?
Was it a broadway show I saw?
A hot new book I read?
Half-baked you come at me
You know I told you not to call here no more.
The new best friend, the olde headboard.Yo no comprendo, mi amour
Oh no, yo no comprendo.
The new best friend, the olde headboardWhere'd you get the dumb idea
For all the secretive platonic dating?
I have experience
In the love and the lives
Of man and machinesYo no comprendo, mi amour
Oh no, yo no comprendo.
The new best friend, the olde headboardWhat becomes a legend most?
The love and lives of man and machine
Olde headboardThe love and lives of man and machine
Olde headboard
