

# The Olde HeadBoard

## Rasputina

What becomes a legend most?  
I'll let you think about it,  
Space ghost coast-to-coast.  
While I give thanks today  
For all the things I stole  
And all the things I gave away  
You make experiment, you try to  
Teach a lesson and then take a stand  
A fake handshake don't make no man I don't know, about a year ago or so  
I must have made you up in my head  
What did I base you on?  
Was it a Broadway show I saw?  
A hot new book I read?  
Half-baked you come at me  
You know I told you not to call here no more.  
The new best friend, the olde headboard. Yo no comprendo, mi amour  
Oh no, yo no comprendo.  
The new best friend, the olde headboard Where'd you get the dumb idea  
For all the secretive platonic dating?  
I have experience  
In the love and the lives  
Of man and machines Yo no comprendo, mi amour  
Oh no, yo no comprendo.  
The new best friend, the olde headboard What becomes a legend most?  
The love and lives of man and machine  
Olde headboard The love and lives of man and machine  
Olde headboard
