All I Need

Awolnation

All I need, all I need
All I need, all I need
All I need
All I need, all I need
All I need, all I need
All I need, all I need
It's early in the morning
I'm laughing at the sun
My mirror disappoints me, yeah
Am I the only one?
It's all I need, all, all I need
All I need, all, all I need
All I need, all, all I need
Is you smiling at me
All, all I need
All I need, all, all I need
All I need, all, all I need
Is life, love with you
I think I'm getting closer
But the scenery is the same
Am I a disappointment?
I'll blame it on the pain
It's all I need, all, all I need
All I need, all, all I need
All I need, all, all I need
Is you smiling at me
All, all I need
All I need, all, all I need
All I need, all, all I need
Is life, love with you
All I need is you, is all I need
If you could simply believe in me
We would be forever, together
All I need, all, all I need
All I need, all, all I need
All I need, all, all I need
Is you smiling at me
All I need, all, all I need
All I need, all, all I need

All I need, all, all I need
Is you smiling at me
All I need, all, all I need
(All I need is you is all I need)
All I need, all, all I need
(All I need is you is all I need)
All I need, all, all I need
(All I need is you is all I need)
Is you smiling at me
All I need, all, all I need
(All I need is you is all I need)
All I need, all, all I need
(All I need is you is all I need)
All I need, all, all I need
(All I need is you is all I need)
Is life, love with you
