

Time Bomb (Comcast Theatre, Hartford, 6/6/09)

Dave Matthews Band

If I'm a ticking time bomb
Waiting to blow my top
No one would ever know
Not until I blew up No one would believe it
He was such a normal man
Shake their heads and wonder why If Martians fell from the sky
What would that do to God?
Would we put the weapon down
Or aim it up at the sky No one would believe it
Except the fucking nut jobs
They'd laugh and cry
"We told you so!" Baby when I get home
I want to believe in Jesus
Hammer in the final nail
Help me pick up the pieces When everything starts to fall
So fast that it terrifies you
When will you hit the wall?
Are you gonna learn to fly? No one would believe it
Except for all the people
Watching as you fly away Baby when I get home
I want to pick up those pieces
Hammer in the final nail
And lean me up against Jesus Baby when I get home
I want to believe in Jesus
Hammer in the final nail
Help me pick up the pieces Baby when I get home
Help me pick up the pieces
Hammer in the final nail
I wanna believe in Jesus
