

# Refuse To Change

## Davina

(Pac Sample)

"The Reason i am who i am today is because i can look directly into my face and find  
my soul .  
its there  
its not sold  
i didnt sell it  
i can be me  
i can be whoever because im true to me

(Davina) Verse 1

I will never sell my soul  
N i aint never selling out  
ill switch my roll  
cause i know my place N i know how to shake all the fake shit  
in order to make it then i gotta take control  
stay up out my way  
itll be waste of time to hate  
when the haterd takes it toll  
cant stop wont stop  
cause im aiming for the top  
N im gunna chop ya if ya wanna be the one to bring me down  
ima reach for the sky even tho im satisfied  
with my head held high N both feet on the ground  
dont expect me to chop N give up everything i got can  
ya just respect that i aint frontn  
N i am nothing like the croud  
i aint bein what im not  
no matter what you think or thought  
im to daim proud n i aint backin down!

(Hook)

I can see right through  
everything you say  
say you want me to  
switch it up N change  
change myself for you  
and undo my ways  
but im stay in true  
and i refuse to change

change so i fit in  
i have a higher meaning  
i dont follow trends  
i was born to lead  
N i aint blendn in  
N i aint givin in  
i aint switchin in  
and i refuse to change

(Davina) Verse 2

I go my pride N i refuse to be a fool  
you played yourslef  
N i cant deny i see right through you  
all you do is run your mouth  
the hate is in your eyes when your talkin about me  
you better watch the words that you speak  
speak the wrong words n itll get ugly  
shut you down so you can shut up  
speak the wrong words n you will get touched  
now you been plotin n you got a fat issue  
and youll be forgotten  
N nobody gunna miss you  
you got me hot  
N now its time to talk  
diss all you all the shit you talking  
got you barkin ima get you back  
when i was feelin down n out  
n where quick to kick me while im down  
N in the end i rise  
though i feel desenseitized  
now its my time to speak my mind  
N i wanna let you know what im about

(Hook)

I can see right through  
everything you say  
say you want me to  
switch it up N change  
change myslef for you  
and undo my ways  
but im stay in true  
and i refuse to change  
change so i fit in

i have a higher meaning  
i dont follow trends  
i was born to lead  
N i aint blendn in  
N i aint givin in  
i aint switchin in  
and i refuse to change

(Davina) Verse 3

You better look me in my eyes

N i bet youll find that your surprised when the outcome isnt what you expected  
i tried to tell you that youre never gonna waste my time  
youre never gonna take away the fact that i shine  
and you can try if you want to  
but youre never gonna be this real  
if my words were a weapon then im aimin for the kill  
N Ill aimat your direction  
no regreting how i feel now  
Id rather die on my feet than to live on my knees  
I aint tryin to mislead the way you that you preceive  
N lead you to believe that i am more than what you see  
N all the strenth that i conceive is cause im staying true to me  
and i dont give a daim about what you say  
and i refuse to live my life in vain  
you cant ever label me a disgrace  
it dont matter what you say  
ill never ever change  
i aint ever switchin up  
this is for ya haters n ya bitches  
cause i dont really give a fuck
