

# Finger Poppin' Time

NRBQ

Hey now, hey now, hey now, hey now  
It's finger poppин' time  
Finger poppин', poppin' time  
I feel so good and that's a real good sign  
Here comes May and here comes Sue  
Here come Johnny and Bobby too  
It's finger poppин' time  
I feel so good and that's a real good sign  
Here comes May and here comes Sue  
Here come Johnny and Bobby too  
It's finger poppин' time  
I feel so good and that's a real good sign  
Hey now, hey now, hey now, hey now  
It's finger poppин' time  
Finger poppин', poppin' time  
I feel so good and that's a real good sign
