Str8 Nazty

Chioke Dmachi

Assume the position

This is so sick you know it
the way you move redicula
oh you shake you move it there
bodies grinding everywhere
it's so hot but we don't
sweat drip dropping everywhere
smell that air it's thick in here
getting so stank in here
get Nazty
str8 Nazty

Y'all know what we came to do.

So iresisitable got me loosing all control
how way you drop it drop it low
don't stop i want some more
every body on the floor
y'all know what we came here for
everybody coming thru
y'all know what we came to do ah

(You so Nazty)

Y'all know what we came to do

(oh girl you so Nazty)

get get nazty
str8 nazty
get nazty
Y'all know what we came to do
get get nazty
Str8 Nazty
Y'all Know what we came to do.

Geechi:
enie meenie waist so tiny looks like heaven in a two peice bikini
it's Geechi rolling with the new Don ChiChi do you something real freaky holla at ducky mr. Come and get

your lucky charms and all that
what you call that booty popping watch me fall back uh oh she got you boy hollin like a lobo face international we lucky that she local she the reason I've writing all my vocals trying to make doe so i can be at shows and i can pick here up and letter her know that i can get her home and do what's stank Nazty For sure do what stank nazty for sure.

look at me i cant control myself
I cant control myself
i cant control my body
look at you
you cant control yourself
you cant control yourself
you cant control your body

This is so sick you know it
the way you move redicula
oh you shake you move it there
bodies grindin everywhere
it's so hot but we don't
