

# Me And You

## Coco Jones

Aye-Aye-Aye

MMM-MMM You're spinning round and round

And round in my head, head

Did you really mean the words that you said, said?

This is it I gotta know Should I stay or should I go? Show me the truth

Is it gonna be me and you?

Is it gonna be me and you?

Is it gonna be me and you? Uh-Huh I know you gon be mad feelings that you thought you had

Was for another guy, well I'm that other guy

I'm just a shy kid camouflaged before your eyes

Then I knew my lyrics were the key to see the other side I should have told you but I never had the courage

And I thought you really wouldn't understand, Oh-Oh

And now I'm here just to let my feelings surface

Apologizing for disguising who I am MMM-MMM, tell me are you who I thought you were?

Or who I wanted you to be?

Did you do it all for him?

Or were you only playing me? I did it for you

But I couldn't see it through (But I couldn't see it through) You're spinning round and round

And round in my head, head

Did you really mean the words that you said, said?

This is it I gotta know Should I stay or should I go? Show me the truth

Is it gonna be me and you?

Is it gonna be me and you?

Is it gonna be me and you? Yeah You're all I ever wanted

But I got caught in the shadow in the background

But I'm back now, and Kris was all this and that

And my look didn't really fit the rap it didn't match He had the style and I had the swag

So I locked up my feelings in the words he said

Give me a hand and I'll take off my mask

If you, give me a chance that's all I ask Whatcha expecting me to do?

First you were him and now you're you Now it's just me

And you got me on my knees (And you got me on my knees) You're spinning round and round

And round in my head, head

Did you really mean the words that you said, said?

This is it I gotta know Should I stay or should I go? Show me the truth

Is it gonna be me and you?

Is it gonna be me and you? Why do I feel so deceived?

Guess I believed what I wanted to believe it's

perfect in my dreams

But nothing's really what it seems, No-Oh-No You're spinning round and round  
And round in my head, head  
Did you really mean the words that you said, said?  
(Did you really mean what you said?) This is it I gotta know Should I stay or should I go? Show me the truth  
Is it gonna be me and you?  
Is it gonna be me and you?  
Is it gonna be me and you? MMM-MMM-MMM-MMM  
Yeah-Eh-Eh, gonna be me and you, Oh No
