Plasmic and Pure

Crowbar

With a tear of misfortune
Bleeding through my stare
Gazing at people
Yet nobody's there
I feel the serenity
To start the battle I'm in
I give you my last breath
To feel peace from withinLacerations cover you
Plasmic and pure
Transmigration
Open the door
My emotions are flowing
And the truth will be mine
A soul that needs cleansing
Leaves darkness behind
A new life is growing
It's stronger than you
Your dagger dementia
Will bleed through and throughLacerations cover you
Plasmic and pure
Transmigration
Open the doorDisembodied feeling
Plasmic and pure
True evil tempting
Plasmic and pure
Lacerations cover you
Plasmic and pure
Transmigration
Open the doorIt's plasmic and pure
