

# Look of Love

Kenny Lattimore

Summer goes, winter's slow  
Autumn leaves but you're still around  
My feelings grow because you know  
How to captivate a crown  
When you turn on that smile The look of love  
You wear it well  
Baby love looks good on you  
I know you've got it all, I can tell  
'Cause you always look brand new The wind it blows and the snow is gone  
But raindrops dance on my window pane  
Whenever you put it on  
You shine bright like a charm  
I hope your wardrobe doesn't change  
Oh girl, keep in my sugar  
I'm loving your swag baby The look of love  
You wear it well  
Baby love looks good on you  
I know you've got it all, I can tell  
'Cause you always look brand new Girl love looks good on you  
Girl I love your energy  
Your doing something now  
I told em new identity  
When you turn on that smile  
Even before you make your move  
Girl your presence alone, that will do  
Love looks good on you The look of love  
You wear it well  
Baby love looks good on you  
I know you've got it all, I can tell  
'Cause you always look brand new
